

## GRANT APPLICATION

LCT makes grants to disadvantaged children and young people aged between 7 and 19 to enable them to participate in Christian residential outdoor activities. Trustees look for a clear indication of social deprivation, coupled with financial need and usually a supportive Christian youth group in the home situation; the more information you can give will help the application.

The following application form will assist the trustees to make an informed decision. If you are requesting support for a number of young people, all going to the same centre there is no need to repeat parts 1 & 2, simply complete part 3 for each person.

- If completing a paper copy please write clearly in black ink.
- Please check that you have given clear individual information as evidence of social and financial need.
- The information provided will only be used to assess suitability for LCT grants (see Privacy Statement published on our website).
- Please return this three part application form either by email or post to the address above.
- You may continue information about the young person on to page four, if required.
- It is the aim of the charity to give a response within 4 weeks of receipt of the application.
